*A Field Guide for College and Career Readiness*

## Budget Survey

- 1) What grants does the district currently have?
- 2) Is there any other external funding that the district or schools receive?
- 3) What special programs (AVID, Migrant Ed...) does the district fund? List all. How are these programs funded (grants, categorical, general funds...)?
- 4) How is summer school funded? Is this for advancement, remediation, or both?
- 5) Are there any other special funding considerations for your district? Bond? Foundation?
- 6) How are CTE courses funded? Does the district receive Perkins money (VTEA)? Does the district have partnerships with businesses... to support CTE courses? How would the district support CTE courses if the special funding stopped?

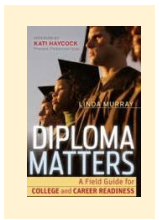

## School

1. Does each school receive all of its funding and can budget for their school (results-based budgeting...)? Or does the district disperse the funds? What type of formula is used to disperse the funds? Please describe.
