

## CALIFORNIA AND NATIONAL EDUCATION DATA SOURCES

**What type of data are you searching for? Try these websites:**

### Demographic Data

1. **DataQuest** (<http://dq.cde.ca.gov/dataquest/dataquest.asp>), a California Department of Education<sup>1</sup> website containing state, county, district, and school-level data on a number of metrics, including enrollment and English learners.
2. **Ed-Data** (<https://www.ed-data.k12.ca.us/Pages/Home.aspx>), a website that provides demographic, fiscal, and performance data on California schools.
3. **American FactFinder** (<http://factfinder.census.gov/faces/nav/jsf/pages/index.xhtml>), a U.S. Census Bureau website that contains population, housing, economic, and geographic data from several censuses and surveys.
4. **California Child Welfare Indicators Project** ([http://cssr.berkeley.edu/ucb\\_childwelfare/entries.aspx](http://cssr.berkeley.edu/ucb_childwelfare/entries.aspx)), a website of UC-Berkeley and the California Department of Social Services that provides child welfare data, including information about students in foster care and probation.

### Test Scores / Academic Results

1. **CAASPP** (<http://caaspp.cde.ca.gov/>), the website for the state’s new academic testing program (including the Smarter Balanced and California Standards Tests), allows users to search for state, county, district, and school-level test results.
2. **Schoolzilla Smarter Balanced Results Explorer** (<https://schoolzilla.com/ca-smarter-balanced-homepage/>), a website that allows users to explore Smarter Balanced assessment results across and within country, district, school, and student subgroups.
3. **Cal-Pass Plus** ([www.calpassplus.org](http://www.calpassplus.org)), a website providing pre-K through college data related to the education-to-workforce pipeline, including grade-level proficiency and degree completion.
4. **College Board** ([www.collegeboard.org](http://www.collegeboard.org))
  - a. **Advanced Placement (AP) Program** (<http://research.collegeboard.org/programs/ap/data>), a College Board website containing state and national data on AP program participation, test taking, and performance statistics.
  - b. **SAT** (<http://research.collegeboard.org/programs/sat/data/cb-seniors-2015>), a College Board website containing state and national data on SAT program participation and performance statistics.

---

<sup>1</sup> The California Department of Education (CDE) contains an online glossary (<http://www.cde.ca.gov/ds/sd/cb/glossary.asp>) for many of the terms referenced on DataQuest and elsewhere on the CDE website.

## The Education Trust–West

Closing the gaps in opportunity and achievement, pre-k through college.

5. **GreatSchools** ([www.greatschools.org](http://www.greatschools.org)), a website containing profiles (including test and other data snapshots as well as community reviews) of 200,000 schools in select cities nationwide.
6. **DataQuest** (<http://dq.cde.ca.gov/dataquest/dataquest.asp>), a California Department of Education website containing state, county, district, and school-level data on a number of metrics, including SAT/ACT/AP scores.
7. **NAEP Data Explorer** (<http://nces.ed.gov/nationsreportcard/naepdata/>), a data tool containing longitudinal national and state-level comparative results on the National Assessment of Educational Progress.
8. **California District Report Cards** (<http://reportcards.edtrustwest.org/>), an Education Trust-West tool that provides grades and rankings on a number of performance indicators for the largest unified districts in California.

### School Climate Data

1. **KidsData** ([www.kidsdata.org](http://www.kidsdata.org)), a website that provides data on a number of wellness and educational indicators, such as bullying/harassment at school and emotional health.
2. **California Healthy Kids Survey** (<http://chks.wested.org/query-chks/>), a statewide survey of risk behaviors, protective factors, and resiliency for select middle and high school grades.
3. **DataQuest** (<http://dq.cde.ca.gov/dataquest/dataquest.asp>), a California Department of Education website containing state, county, district, and school-level data on a number of metrics, including suspensions and expulsions.
4. **Civil Rights Data Collection** (<http://ocrdata.ed.gov/>), a survey that collects data on key education and civil rights issues for schools across the country, including bullying/harassment and student discipline.

### Access / Opportunity-to-Learn Data

1. **CalPass** ([www.calpassplus.org](http://www.calpassplus.org)), a website providing pre-K through college data related to the education-to-workforce pipeline, including preschool enrollment, college readiness, and remedial education.
2. **Civil Rights Data Collection** (<http://ocrdata.ed.gov/>), a survey that collects data on key education and civil rights issues for schools across the country, including enrollment in rigorous courses and AP enrollment/test taking.
3. **DataQuest** (<http://dq.cde.ca.gov/dataquest/dataquest.asp>), a California Department of Education website containing state, county, district, and school-level data on a number of metrics, including A-G completion and graduation.
4. **California Financial Aid Tracker** (<http://financialaid.edtrustwest.org/>), an Education Trust-West tool that provides FAFSA and Cal Grant completion rates for high schools across California.

## The Education Trust–West

Closing the gaps in opportunity and achievement, pre-k through college.

### Postsecondary Data

1. **CSU Analytic Studies** (<http://www.calstate.edu/AS/>), the website for a division within the California State University system that compiles and disseminates data from CSU's 23 campuses on applications, enrollment, and degrees.
2. **UCOP Student/Workforce Data** (<http://www.ucop.edu/institutional-research-academic-planning/data-reports/key-reports/student-workforce-data.html>), a University of California Office of the President website containing systemwide and campus-level longitudinal data on applications, admissions, and enrollment.
3. **California Community Colleges Student Success Scorecard** (<http://scorecard.cccco.edu/scorecard.aspx>), a website containing longitudinal statewide and campus-level data on remedial instruction, student retention, and degrees/transfers.
4. **Campaign for College Opportunity** (<http://collegecampaign.org/our-publications/>), a resource for publications containing data on higher education access and success in California.

### Local Control Funding Formula / Local Control and Accountability Plans / Fiscal Information

1. **Ed-Data** (<https://www.ed-data.k12.ca.us/Pages/Home.aspx>), a website that provides demographic, fiscal, and performance data on California schools.
2. **LCAP Watch** (<http://lcapwatch.org/>), an Education Trust-West repository of Local Control Accountability Plans (LCAPs) for all LEAs in California and resources to assist with LCAP planning.
3. **FairShare4Kids' LCFF calculator** (<http://fairshare4kids.org/>), an Education Trust-West tool that estimates base, supplemental, and concentration grants for all LEAs in California.

### Dashboards and Multiple Measures

1. **LCFF State Priorities Snapshot** (<http://ias.cde.ca.gov/lcffreports/>), a California Department of Education website, provides school and LEA-level data on the measures aligned with the state's priorities of student achievement, student engagement, and school climate.
2. **CORE Index Reports** (<http://coredistricts.org/indexreports/>), a California CORE website containing data on academic, social-emotional, and culture-climate indicators for all schools in participating CORE districts.
