# Moving Forward Together

THE EDUCATION TRUST–WEST

# EDUCATION EQUITY FORUM

Los Angeles, CA | September 19-20, 2022

## Converse

## Connect

## Collaborate

Ed Trust–West’s Education Equity Forum is the premier gathering of advocates, educators, school and college leaders, student leaders, and policymakers from across California to network and learn about strategies to take home and tackle our education systems’ toughest equity challenges. This year’s Forum will amplify impactful work happening across the state & beyond to improve racial equity in California schools and colleges, especially as we try to emerge stronger from the COVID-19 pandemic.

For 20 years, Ed Trust–West has worked alongside parents, students, educators, policymakers, and community members across our state to improve racial equity in education. Together, we have increased state funding to K-12 schools, expanded access to college preparatory classes, improved financial aid for low-income students, supported teachers’ professional development, and had many more wins!
